

COMMUNITY EDUCATION CLASSES

The Ed Tech Center invites you to learn something new! Check out our classes being offered in June through August, 2006.

Registration and Enrollment: Please fill out the registration form at the end of this section.

- **All classes are open to anyone** and all classes have limited enrollment.
- Space in a class is reserved on a first-come, first-serve basis when a paid registration is received. *Children under the age of twelve must be accompanied by a parent/guardian.*
- Payment must be made with registration. When we receive your payment, you are registered and confirmed for that course.
- Confirmations will not be sent; if you wish to confirm your enrollment in a class, please contact Dulcie Hardin at 270-965-9294 or email at dhardin@crittendencountyedc.com
- If you decide to register for a class after the cut-off date, please call to see if the class is still available.

Cancellation: We cannot guarantee all activities listed in this schedule will be available when you register. We reserve the right to cancel activities if there is insufficient enrollment (generally, below the minimum of 5-6 students). If cancelled, you may select another activity or receive a refund. In the event of bad weather, call the EdTech center to see if classes will be cancelled/ postponed. When in doubt, call 270-965-9294.

Location: All classes will be held at the Ed Tech Center located at 200 Industrial Drive in Marion.

Refund Policy: Refunds will be issued if one withdraws three business days prior to the first class or if the class does not meet the required enrollment. **Failure to attend course(s) does not guarantee a refund.** Full refunds are issued for all courses cancelled by the Ed Tech Center. A \$20 fee will be assessed on all returned checks.

REGISTRATION CLOSES:

This date is the date we set to see if a class is going to have enough people to warrant paying the instructor. It does NOT mean that you cannot still register for the class.

06-CE-06-36 SINGING THROUGH SONG

Learn basic American Sign Language vocabulary and songs ideal for use with church youth groups. Also learn how to translate songs into ASL. Songs will include: praise songs, songs by artists such as Casting Crowns, Third Day, Todd Agnew, Point of Grace, and more. Class size is limited. Registration closes June 1. Instructor: Kristen Wheeler, Murray State University graduate with a B. A. in Communication Disorders.

5 Mondays, June 5, 12, 19, 26, July 10

6:00 – 8:00 p.m.

\$41

06-CE-06-37 BASIC AMERICAN SIGN LANGUAGE

This class is for the person who would like to begin learning the skills necessary to communicate with the deaf in American Sign Language. The manual alphabet, numbers and vocabulary words will be taught and students will be introduced to the use of facial expression, body language, and grammatical structure. Class size is limited.

Registration closes June 1. Instructor: Kristen Wheeler, Murray State University graduate with a B. A. in Communication Disorders.

5 Tuesdays, June 6, 13, 20, 27, July 11
6:00 – 8:00 p.m.
\$41

06-CE-06-38 QUILTING – PERFECT BEGINNINGS

Quilting is FUN, EASY, CREATIVE, and RELAXING, once you've learned the basics. The basics of quilt making are what this class will teach you. The project is a small (approximately 18 inches square) quilt top that can be made into a pillow or used as a wall hanging. With a small project you don't get too much time or money invested before you decide whether you like quilting. We will be using hand-sewing methods to slow the process down so that you have plenty of time to absorb the information and build your quilting knowledge. **This is the perfect class for absolute beginners.** Fee includes all the supplies (except for scissors) you will need. Class size is limited. Registration closes June 13. Instructor: Tracey Hawthorne Cook, Quilting Tomorrow's Heirlooms. This class will be taught at Quilting Tomorrow's Heirlooms, 204 S. Main Street; Marion.

2 Tuesdays, June 20 and 27
6:00 – 8:00
\$35

06-CE-06-39 MAKE A BRACELET

Learn the principles of making a basic beaded bracelet on wire with a toggle clasp. Each person will get to choose their own beads and design their own bracelet. You will also receive a pair of crimping pliers. All materials will be supplied. Class size is limited. Registration closes June 15. Instructor: Amy Cardwell

1 Thursday, June 22
6:00 – 8:00
\$24

06-CE-06-40 COOKING WITH BEEF

Learn new tasty and nutritious ways to prepare beef for your meals. Tasting will be included! Funded in part by a grant from the Kentucky Beef Council. Class size is limited. Registration closes June 20. Taught by Nancy Hunt, Crittenden County Extension Agent for Family and Consumer Sciences.

1 Tuesday, June 27
10:00 AM or 6:00 PM (Pick either session to attend.)
Free

06-CE-06-41 COOKING WITH BEEF FOR KIDS

Where's the Beef? Kids can learn kitchen basics and simple recipes to help prepare their own meals. Tasting will be included! Age requirement: 9 years and older. Parents are welcome to attend with their child but must pre-register. Funded in part by a grant from the Kentucky Beef Council. Class size is limited. Registration closes June 20. Taught by Nancy Hunt, Crittenden County Extension Agent for Family and Consumer Sciences.

1 Tuesday, June 27
2:00 – 3:00 PM
Free

06-CE-06-42 PRUNING LANDSCAPE TREES AND SHRUBS

Learn the basics of when and how to prune most trees and shrubs found within our corner of the world. Class size is limited. Registration closes June 20. Instructor: Corey Payne, Crittenden County Extension Agent for Agriculture and Natural Resources.

1 Tuesday, June 27
6:30 p.m.
Free

06-CE-06-43 TURN YOUR HOUSE INTO A HOME

This class will focus on the main aspects of home decorating that make ordinary rooms transform into rooms with just the right touch. Furniture placement, color, and accessorizing will be emphasized in the class. Feel free to bring pictures or drawings of your rooms to share in class. Class size is limited. Registration closes June 22. Instructor: Shane Waters

1 Thursday, June 29
6:00 – 8:00
\$9

06-CE-07-44 STARGAZING

Learn how to use a telescope to discover the night sky. This one night class will help you locate constellations, planets, and deep sky objects such as star clusters, nebulas, and galaxies. The moon and solar flares (never look at the sun with out an approved solar filter) will also be viewed. Telescopes will be provided, but feel free to bring your own. Class size is limited. Registration closes June 29. If weather does not permit adequate viewing, the class will be postponed. Instructor: Rob Towery, Crittenden County Schools.

1 Thursday, July 6
7:30 – 10:30
\$11

06-CE-08-45 BASIC COMPUTER USAGE

Learn the very basics of computer usage. Participants are not expected to know anything about computers prior to attending these classes. The class focuses on workforce development skills. Class size is limited. Registration closes August 7. Instructor: Dana Baker, West Kentucky Education Cooperative Workplace Training Instructor.

2 Mondays, August 21 and 28
9:00 – 12:00
Free

**Don't forget to call three days in advance if you cannot make a class.
Otherwise, you will be billed.**

06-BI-07-46 HOW FULL IS YOUR BUCKET?

How did you feel after your last interaction with another person? Did that person - your spouse, best friend, co-worker, or even a stranger - "fill your bucket" by making you feel more positive? Or did that person "dip from your bucket," leaving you more negative than before? *How Full is Your Bucket?* reveals how even the briefest interactions affect your relationships, productivity, health, and longevity. Organized around a bucket, and grounded in 50 years of research, this book will show you how to greatly increase the positive moments in your work and your life - while reducing the negative. Filled with discoveries, powerful strategies, and engaging stories, *How Full Is Your Bucket?* is sure to inspire lasting changes and has all the makings of a timeless classic. Registration closes July 20. Class size is limited. Instructor: Dana Baker, West Kentucky Education Cooperative Workplace Training Instructor.

1 Thursday, July 27
9:00 – 11:00
Free

06-BI-06-47 UNDERGROUND MINING

This forty-hour course will satisfy the initial training requirements for underground mining. Before applying to work in the mining industry, a person must have the safety training; however, in no way does the taking of this class guarantee a job in a coal mine. Class size is limited to the first thirty pre-paid applicants. Instructor: Jim Herran, Certified MSHA Trainer.

June 19-23, 26-29
4:30 – 9:30 p.m.
\$150

06-BI-07-48 FORKLIFT CERTIFICATION

Attend this class to fulfill the requirements for safe operation of a forklift; attendees must be sponsored by an existing business. At the conclusion of the class, you will receive certification which is good for three years. Class size is limited. Taught by David Stooksbury of Black Equipment, Hopkinsville.

1 Thursday, July 20
10:00 – 1:00
\$59

NOTE: If you have a request for any type of class, call Dulcie Hardin at 270-965-9294.
